APPA SEEKS SUBMISSIONS FOR: Poster Presentations (NEW)

Come celebrate **50 years** of American Probation and Parole Association (APPA) Training Institutes! APPA is pleased to issue a **Call for Presenters on Poster Proposals** for our **2025 Winter Training Institute set for January 26 - 29, 2025, in Las Vegas, Nevada.**

APPA training institutes provide attendees with learning opportunities that emphasize skill-building and enhance career development. Preference will be given to workshops and posters that include learning objectives with verbs derived from Bloom's Taxonomy, S.M.A.R.T. objectives (Specific, Measurable, Achievable, Relevant, and Timely), incorporated activities, audience participation, a skills-focused approach, and new research on the field of community corrections. Please consider best practices for communication and engagement for audience members who are attending virtually. Our participants include community corrections professionals in pretrial, probation, parole, reentry, program and treatment providers, judiciary, criminal justice researchers, educators, and more.

Please bear in mind presenters are responsible for bringing their own laptops and presentation materials, i.e., handouts, USBs, etc. APPA does not provide printing services.

CALL FOR SUBMISSIONS

Regrettably, APPA does not reimburse presenters for expenses and fees associated with participation. Examples of this include travel and lodging expenses, and incidentals like food, parking, etc. Additionally, APPA has implemented a policy change regarding faculty registrations (session only). Now, even if you are attending your session only, there will be a registration fee of **\$265**. This change has been implemented, as we are a nonprofit organization committed to serving the community corrections field and to continue offering a program of excellence.

APPA is excited to provide this platform for quality practitioners who are focused on improving core competencies, understanding what works in the field, embracing education and training, and continually developing skills. All are essential to the success of this crucial work, and it all rests firmly on the belief that this profession has a significant impact on public safety. We look forward to creating safer communities together with you.
